## **Itinerary**

### **Day 1: New York – Corning - Watkins Glen (summer) - Niagara Falls**

Set off from New York, we will head north to the **Corning Glass Museum in Corning, NY** to learn about glassmaking. Corning Glass Museum in western New York is dedicated to the history, art, and science behind glassmaking. Its collection contains more than 45,000 objects, some of which date back millennia. Guests here will be invited to watch the Hot Glass Show which is performed by professional glass craftsman, and also, will have chance to know how did ancient Egyptian make the world first glass mask in 3000 years ago!

#### **\*\*Summer Schedule (Mid of May – Oct.):**

Next we will head north to the **Watkins Glen State Park, NY**. Watkins Glen State Park - is the most famous of the Finger Lakes State Parks. Within two miles, the glen's stream descends 400 feet past 200-foot cliffs, generating 19 waterfalls along its course. The gorge path winds over and under waterfalls and through the spray of Cavern Cascade. Rim trails overlook the gorge. It's a perfect park for photography! (Note: we charge \$10/person for state park admission and bus parking.) (\*\*We will visit Watkins Glen only when weather condition allows. In case of storm, we reserve the right to change the itinerary considering safety issues.)

From there on, we will continue the trip to **Niagara Falls, NY**. Later in the night, the nighttime illumination of the impressive American and Horseshoe falls will have visitors experience the falls in a

new way. (\*The completeness of night view on certain summer evenings may be limited or not available due to late sunset time and US Federal Government regulations on driving hours.)

*Hotel: Universal Inn/Day Inn or equivalent or equivalent*

## **Day 2: Niagara Falls - Toronto**

We will continue our tour Niagara Falls by **Maid of the Mist** (seasonal, only available for summer schedule: April-Nov), the famous boat ride which takes passengers as close to the falls as possible. Face-to-face with deafening roar of the pounding waters and get soaked with the mist! Next, we will see an informational movie at the **IMAX Theater**. This amazing movie experience, presented on an unbelievable IMAX screen, chronicles more than 12,000 years of history and examines human interaction with the falls from ancient time through the people - like you - who come to see them today. After crossing the border to Canada through **the Rainbow Bridge**, we will ascend the **Skylon Tower**. This observation tower on the Canadian side of Niagara Falls offers bird's eye views of the natural wonder. The tower stands 520 feet from street level and 775 feet from the bottom of the falls. Relax and enjoy your meal at the 360 degree Revolving Dining Room or the family-affordable Summit Suite Buffet Dining Room restaurant. Admission to the Ride-to-the-Top and Indoor/Outdoor Observation Decks are always free when dining.

The tour then departs for **Toronto, ON**, the largest city of Canada. The **CN Tower** will be the first stop here for fabulous views of the city and Lake Ontario. It is Toronto's most famous landmark, the tallest freestanding structure in Canada, and also the most impossible to miss in our trip. The highest viewing area on the CN Tower is from the Sky Pod at 447 meters and a lower viewing area, the Glass Floor, offers a bird's eye view straight down over the city as visitors stand on a glass floor as the name suggests. Around the corner of CN Tower is the **Ripley's Aquarium of Canada** (Winter Schedule). It holds over 16,000 fantastic aquatic animals, featuring with North America's longest underwater viewing tunnel (96 meters) which allow you to walk by the Sharks, Rough tail Stingrays, and dangerous lagoon. Guests will be both entertained and inspired to protect the waters of the world. Later, experience the elegance and splendor of the Edwardian era at **Casa Loma** (Winter Schedule), the only full sized castle in North America and Toronto's premier historic attraction. Explore secret passageways, elaborately decorated rooms with authentic period furnishings or take in the breathtaking view of Toronto from one of the towers. **Lake Ontario Cruise** (seasonal, only available for Summer Schedule: April – Oct.) offers gorgeous views of the city and vicinity from the waters. See the city of Toronto and the surrounding area in a new way! We will also pass by the modernist styled **City Hall** whose stunning arc-shaped structure makes it distinguished in the city and architecture history. Later of the day, we will reach the historical **Chinatown**. This one is one of the largest and oldest Chinatowns in North America, dating back to the 1870s, and the historical area features many authentic groceries, restaurants, and shops.

*Hotel: Travelodge Toronto East/Quality Hotel & Suites Airport East or equivalent*

## **Day 3: Toronto - Thousand Islands (summer schedule only) - Ottawa - Montreal**

**\*\*Summer Schedule (April-Oct):**

In the morning, we will head to the **Thousand Islands** to take a **Cruise Tour** of the area **Cruise (seasonal, only available for Summer Schedule: April – Oct.)**. As the name indicated, the Thousand Islands constitute an archipelago of 1,864 islands that straddles the Canada-U.S. border in the Saint Lawrence River as it emerges from the northeast corner of Lake Ontario. In addition to taking in the scenery, passengers on boat tours can learn of the history of the region, which was once home to pirates and bootleggers, and enjoy views of some famous spots such as the Boldt Castle along the way. Also, we will see a “shortest international bridge in the world”.

**\*\*Winter Schedule (Nov. – March.):** since 1000 Islands Cruise tour will be closed during winter time. **Our tour will not visit 1000 islands during Nov to March. After finishing the itinerary in Toronto, will heading to Ottawa directly.**

Next, we will drive along St. Lawrence River and reach Canada’s Capital and political center, **Ottawa**. Here we will visit the Parliament buildings and the impressive Peace Tower with the height of 295 feet. Canada’s Parliament buildings are commonly viewed as the one of the most magnificent government centers in the world with firm stone exterior and vivid setting on the cliffs! After a short stay, we will drive to the **Montreal**, known as “Paris of North America”, a French-speaking and second largest city of Canada. The 175-meter inclined **Olympic Tower** together with the 1976 Olympics stadium has become the symbol of the city. **Montreal Biodome** is next to Olympic tower, is second largest botanical garden, zoo, aquarium, it has so many different varieties of animals and plants, well worth to watch.

*Hotel: GOUVERNEUR RELAIS ST JEAN/ TRAVELODGE HOTEL MONTREAL AIRPORT or equivalent*

#### **Day 4: Montreal - New York**

After a short stay at duty-free stores, we will continue our trip to visit the **Ausable Chasm** in upstate New York. Since 1870, Ausable Chasm has thrilled and amazed all who have come to explore. Ausable Chasm, carved into upstate New York's Adirondack Mountains by an eponymous river, is made of 500-foot-thick Potsdam sandstone that is over 500 million years old. At its southern end, it drains into Lake Champlain. Afterwards, we will go back to the pick-up points in New York in the evening.
