Day 2 Crater Lake National Park (Substitution: Lake Shasta Caverns) – Sundial Glass Bridge

The first attraction of today will be the Crater Lake National Park. The lake in the park was formed after the collapse of Mount Mazama - an ancient volcano that erupted approximately 7,700 years ago, the length of lake is 6 miles and width is 4 miles with a depth of 1932 feet. If the Mount Mazama closes due to extreme weather, we will visit Lake Shasta Caverns. The Lake Shasta Caverns at the northern tip of California are made entirely of limestone and boast every type of cavern rock formation available, including stalactites, stalagmites, and soda straws. Guests will have the chance to experience a fantastic and amazing underworld. On the way to the Santa Rosa, we will pass by the landmark of North California--Sundial Glass Bridge. The deck of bridge is made up of 200 tons of glass and granite and is supported by more than 4,300 feet of cable that could make the guests feel like walking in the air. Overnight stay in San Francisco.

Day 3 San Francisco City Tour

Today, we will arrive at San Francisco where is considered as the most popular city in America. Here we will travel around several famous attractions, including: Fisherman's Wharf, Golden Gate Bridge, Lombard Street, Palace of Fine Art, San Francisco Bay Cruise, San Francisco Chinatown, and Union Square. We will head to San Francisco Chinatown in the end of day.

Hotel: Days Inn / Quality Inn or equivalent

Day 4 Harvest Moon Winery --- Humboldt Redwood State Park

In the morning, we will go to Harvest Moon Winery, to see the process of making wine. We can also taste some wine. We will then visit Humboldt Redwood State Park. California Redwood, also known as coast redwood is the only type of redwood that grows in the United States. Coast redwood is endemic to the coastal area of northern California, and it can grow up to 112 meter height. We will venture into the park, and visit some of the oldest redwood existed. We will then drive through Ave of the Giants, a well-known scenic highway in Northern California. By the evening, we will reach to Eureka and stay one night.

Hotel: Days Inn / Quality Inn or equivalent

Day 5 US Route 101 – Eugene, Oregon.

After the breakfast, we will start our day on speeding along the U.S. Highway 101. It is a north-south U.S. highway that runs through the states of California, Oregon, and Washington, on the West Coast of the United States. It is also known as El Camino Real (The Royal Road) where its route along the southern

and central California coast approximates the old trail which linked the Spanish missions, pueblos, and presidios. US Route 101 has become internationally renowned over the years in film, popular culture, and song. It is often quoted alongside other legendary road trip routes, such as Route 66, as a recognized symbol of American culture and lifestyle. The first destination will be Oregon Dunes in Florence. It's a desert that visitors can enjoy the **Giant dune buggy**. (***The Giant dune buggy may close in the winter due to weather condition**) Then we'll go to **Sea Lion Caves**, where we will have the chance to know the habit of natural sea lions. Next, we will head to the place "community to the other world" -- Thor's well. Sitting on the edge of the Oregon coast is what appears to be a gaping sinkhole that never seems to fill despite the unbroken stream of sea water that drains into it, but Thor's Well as the natural wonder is known, is not bottomless, simply very dangerous. Today we will live in Eugene, Oregon.

Hotel: Days Inn / Quality Inn or equivalent

Day 6: Eugene – Columbia River Gorge – Olympia -- Seattle

In the Morning, we will visit **The Grotto**. With 62-acre green space of fir trees, colorful rhododendrons and other native plants, The Grotto is an inviting destination for all as an internationally-renowned Catholic shrine and botanical garden. A circular path which is called Stations of the Cross near the parking area leads visitors to the 14 bronze bas-relief sculptures. The heart of the shrine is Our Lady's Grotto, a rock cave carved into the base of a 110-foot cliff. Then we will visit the Columbia River which is located on the east of Portland. **Columbia River Gorge** is formed from the Columbia River which is the 4th largest river by volume in the nation. It covers and runs more than 1000 miles along the border of 2 states, Oregon and Washington. The magnificent view of the river valley scenic area includes Multnomah, a famous 620 feet falls. Our next stop is to see **salmon fish migration**. Ballard locks fish ladder (21 steps) is the biggest fish ladder among Northwestern America. Visitors will see the amazing moment of life. At the end of the day, we'll visit **Olympia**, the capital city of the State of Washington, to see the state house. Stay at Seattle for the night.

Hotel: Red Lion / Quality Inn / Comfort Inn / Hampton Inn or equivalent

Day 7 Seattle City Tour

Seattle is the largest city in both the State of Washington and Pacific Northwest region of North America and the fastest growing major city in the US. Here, we will bring you to **Boeing**, the largest aircraft manufacture in the world. At its factory you will learn the history of aircraft making and also see one of the only 4 Dream lifters in the world; there will be professional Boeing employee guiding you to see the assembling process of the Boeing 7-series. Boeing can build a miracle in only 3 days, so get prepared to open your eyes, there will be experiences that you never had before. Next, we will go to Pike Place Market, which is built in a hundred years ago. **The Pike Place Market** was originated by farmers for selling their products, it is now one of the major tour spots in Seattle, holds about 200 commercial events every year, exhibits 190 kinds of handcrafts, includes 120 agriculture vendors and plus street performers. Pike Place Market is also where the first Starbucks store was founded. After strolling around the market, we will head to **Space Needle**. Space Needle is an observation tower in Seattle. It was built in the Seattle Center for the 1962 World's Fair; it drew over 2.3 million visitors, which you should never miss. It is the structure you can see from every single corner of Seattle. On top of the tower you are offered with free telescope to see the amazing view of not only Seattle city but also Puget Sound and Mt. Rainier. You can also surprise yourself by experiencing the most advanced hologram technology at the Space Needle.

Chihuly Garden and Glass is an exhibit in the Seattle Center showcasing the studio glass of Dale Chihuly. The project includes three primary components: the Garden, the Glasshouse, and the Interior Exhibits. All the exhibitions are so fascinating and breathtaking. It is definitely worth to visit. **The EMP** stands for Experience Music Project. The museum is founded by Microsoft cofounder Paul Allen and designed by Avant grade designer Frank Gehry, located at the foot of the Space Needle. Its colorful appearance is made up by 3000 pieces of metal means to present. In the end, we will visit **the Pioneer Square**. The Pioneer Square-Skid Road Historic District is listed on the United States' National Register of Historic Places.
