### Itinerary Highlights:

1. Visit Niagara Falls and 1000 Island within the shortest time.
2. Take the 1000 Island Cruise to enjoy the romantic 1000 Islands!
3. Get closer to Niagara Falls by taking the Maid of Mist!
4. In-Depth tour of Niagara River: Whirlpool Park, Old Fort Niagara and Great Lake Ontario.

### Day 1: Philadelphia - Thousand Islands

Guests will be picked up in Philadelphia in the early morning. From there we will travel north to the **Thousand Islands** (U.S. side) where we will take a Cruise Tour of the area. As the name indicated, the Thousand Islands constitute an archipelago of 1,864 islands that straddles the Canada-U.S. border in the Saint Lawrence River as it emerges from the northeast corner of Lake Ontario. In addition to taking in the scenery, passengers on boat tours can learn of the history of the region, which was once home to pirates and bootleggers, and enjoy views of some famous spots along the way such as the mysterious Deer Island, and the famous Boldt Castle mansion on Heart Island. Also, we will see a “shortest international bridge in the world” on Zavikon Island.

After dinner, we will back to hotel for rest in the evening.

Reference hotel: R.I.T.INN, Rochester, Holiday Inn Rochester Airport or similar

## Day 2: Niagara Falls In-depth Tour - Maid of the Mist – Philadelphia

Departure from the hotel in the morning, we will go to explore Niagara Falls, NY where we will take **Niagara Falls In-depth Tour** and take the famous **Maid of the Mist** boat ride.

**Niagara Falls In-Depth Tour** - This interesting and exciting tour includes two popular attractions: the magnificent natural wonder - **Niagara Whirlpool State Park** and the U.S. historic landmark - **Old Fort Niagara**. The Niagara Whirlpool's greatest depth is 125 feet. It is estimated the whirlpool formed approximately 4,200 years ago by the upstream erosion of the Niagara escarpment by Niagara River. Old Fort Niagara is a rich historic landmark; it spans more than 300 years. Its commanding presence on the great lake caused it to play a critical role in the French and Indian War, the American Revolution and the War of 1812. The gorgeous Lake Ontario lies behind the Fort.

**Maid of the Mist** - It's the combination of height and volume that makes Niagara Falls so beautiful. More than 6 million cubic ft. (168,000 cubic meters) of water goes over the crest line of the falls every minute during peak daytime tourist hours. This famous Maid of the Mist ride gets passengers as close as possible to the Niagara Falls! The Maid rides right into the mists thrown up by the roaring cascade as the Niagara River tumbles over the edge of the falls.

After lunch, we will return to Philadelphia.
