We will depart the tour in the morning. Our first stop will be **Battleship Texas**, took part in some of the most significant naval battles of the 20th century during both world wars. Now docked along the Houston Ship Channel, she serves as a memorial to those turbulent times. Then go for **San Jacinto Monument**, the world's tallest masonry column. It commemorates the decisive battle of the Texas Revolution. Led by General Sam Houston, the Texan Army engaged and defeated General Antonio López de Santa Anna's Mexican army in a fight that lasted just 18 minutes. The monument is 567 feet tall and 17 feet higher than Washington Monument in DC, topped with a Lone Star – the symbol of Texas. The most important part of the day is **NASA Space Center**. We will go to the Space Center for Tram tour to Rocket Park, see the control center, astronaut training center, space shuttle. The center features more than 400 space artifacts, permanent and traveling exhibits, attractions and theaters related to the exciting future and remarkable past of America's human space-flight program. Uncover the mysteries of outer space on an exhilarating visit to the Space Center Houston, the official visitor center for NASA's Johnson Space Center. During your self-guided tour of one of Houston's top attractions, ride a tram on an orientation tour of the Space Center; see enthralling exhibitions of full-size rockets and rock samples; and marvel at the real Apollo 17 space shuttle, which returned from the moon in 1972. **Dolphin Cruise** in Gulf of Mexico, we bring you up close to view the dolphins in their natural habitat, see birds and marine life. We are usually able to get a close up view of playful dolphins jumping.
