Within two miles, the glen's stream descends 400 feet past 200-foot cliffs, generating more than 20 waterfalls along its course. The Gorge trail winds over and under waterfalls and through the spray of Cavern Cascade. It's a perfect park for photography! (Note: we charge \$10/person for state

park admission and bus parking.) (**In case of rainy weather, we reserve the right to change the itinerary to Corning Glass considering safety issues.)

Day 2: Full day in Niagara Falls

Driving along with the Erie Canal with crossing over upstate of New York, we will be heading to the magnificent Niagara Falls. In Niagara Falls, guests will be amazed by the deafening roar of the American Fall, the Horseshoe Fall and the Bridal Veil Fall! Go face-to-face with the pounding waters of Niagara Falls and get soaked with the mist from the thundering water when you are strolling in the State Park. Here, we will continue our tour in Niagara Falls by the famous Maid of the Mist boat ride (Winter Closed) which takes passengers as close to the falls as

possible. Absolutely, you won't miss the Niagara: Legends of Adventure, a dramatic 45-minute IMAX film on the new 45ft×25ft screen, to discover the history and culture of the Niagara Falls.

In the afternoon, you can choose either: A. to stay in the Falls Park for self-exploration till returning the hotel, or, B. to take Niagara Falls In-depth Tour (Tour fee: \$25/person, including \$13 of the admission ticket; 120 minutes). This interesting and exciting tour includes two popular attractions: the magnificent natural wonder - Niagara Whirlpool State Park and the U.S. historic landmark - Old Fort Niagara. The Niagara Whirlpool's greatest depth is 125 feet. It is estimated the whirlpool formed approximately 4,200 years ago by the upstream erosion of the Niagara escarpment by Niagara River. Old Fort Niagara is a rich historic landmark; it spans more than 300 years. Its commanding presence on the great lake caused it to play a critical role in the French and Indian War, the American Revolution and the War of 1812. The gorgeous Lake Ontario lies behind the Fort.

At night, guests can choose to stay at the state park for night view or try your luck in the casino.

Scenic Hotel: Quality Inn & Suites at the Falls/Days Inn at the Falls/Holiday Inn at Niagara Falls or equivalent

Day 3: Hershey's Chocolate World- Home

We will travel to the North America's largest chocolate manufacturer - Hershey's Chocolate World (90 minutes). Here, you can take a small train to explore the whole process of chocolate making, and in the end you will have the chance to taste a piece of hot and fresh chocolate. Hershey's Chocolate World offers the sweetest adventures for everyone: no matter chocolate lovers or fun seekers, shopping-maniacs or history buffs. You also have a chance to pick your favorable flavor to make your own chocolate bar.
